

Supplier Trade Price Changes

March 2022

At Lawrence & Hanson we always strive to achieve the most market competitive industry prices and aim to communicate any changes in a timely manner.

The listing below indicates price increases Lawrence & Hanson has received from our maintained suppliers (as of 15/02/22) and includes upcoming increases going live in March 2022.

Please note:

- The price change (%) shown are an average price change per supplier - some products/categories increase by more or less than the stated change (%).
- The price change (%) shown below is as indicated in the communication we have received from our suppliers.

*Indicates where some products within specific ranges have had further price rises over and above the main supplier increase.
